FOR IMMEDIATE RELEASE

DBK Concepts Awarded ISO 9001:2015 Certification

Press Release

Miami, FL (January 30, 2019) — DBK Concepts is dedicated to providing products and services of the highest quality, performance, and reliability. In order to achieve this goal, we have developed a formal Quality Management System that is certified according to ISO 9001:2015 standards, and supported by all levels of management.

DBK's Quality Management System is audited on an annual basis by Bureau Veritas, our third-party registrar (Certificate No. US012828). Our ISO 9001:2015 certification status provides our customers with the assurance that our systems and processes are held to the highest of quality standards.

The benefits of ISO 9001:2015 go well beyond meeting customer requirements. This Certification helps to enhance a degree of professionalism with business operations and provide a culture of exceeding expectations. This is especially helpful as it creates clarity for employee understanding of expectations and goals. DBK is a leader in serving Fortune 500 companies since 1988, as an industry-leading end-to-end provider of I.T. Hardware / Software Solutions and Depot Break/Fix Services.

DBK Concepts' Quality Policy

DBK Concepts excels in delivering and developing complete mobile data-collection solutions. DBK is committed to achieving customer satisfaction and meeting all applicable requirements through the continual improvement of its Quality Management System (QMS). DBK works together with customers to identify the environment and applications needed, as well as constructs a solution for business to support strategic business direction. DBK's QMS sets quality objectives and implements measures to monitor and enhance quality to support customer requirements and expectations.
